- **Thurs., Dec. 22**
Christmas
Program
- **Dec. 23-Jan. 2**
No School
Christmas
Break

Hello Parents,

Here's the latest from 3rd-5th grade.

Memory: On this month's memory schedule, I inadvertently put a memory assignment for tomorrow, Friday, November 18th. We will skip this verse for the time being and come back to it at a later point. Sorry for any confusion.

Spelling: There will be no spelling test next week, due to the short three-day week. The attached spelling list is for the test in two weeks on December 2nd.

Handwriting: Our 3rd-5th grade classes are entering a National Handwriting Contest! A few weeks ago, the students were given practice forms. The final contest entry form was given to the students yesterday. There will be a winner chosen from each class.

3rd-4th Science: In science, we have been busy exploring solids, liquids, and gases. We have done experiments with melting ice cubes and the condensation that forms on the outside of a glass. We also have been able to participate in some virtual online labs to experiment with the melting and freezing point of different materials. The students had a blast with these, and they can be found at the BBC for Kids website at http://www.bbc.co.uk/schools/scienceclips/ages/8_9/solid_liquids.shtml.

Since next week is a short week, there will not be a 3rd-5th newsletter heading home.

Have a wonderful weekend and a blessed upcoming Thanksgiving! Thanks for all you do!

In Christ,
Miss Bernau
